

## Live Power – Waratah to Sandgate New Infrastructure

**SB Number – W2S-004**

Date issued: 14<sup>th</sup> September 2021

### New Live Power Changes on the W2S Project Site

Please be aware that as of the 8<sup>th</sup> September 2021, the following new W2S infrastructure contains incoming 415V power and is now **LIVE**. This includes:

HJ9 Location	HJ15 Location	Hanbury Junction Power Room	Hanbury Junction Relay Room
HJ25 Location	HJ28 Location	HJ1 Location	

In addition, the new Hanbury Junction Power Room back-up generator has been commissioned.

Access into the above listed infrastructure can only be authorised by the following JMDR staff:

- Craig Doorey – JMDR Commissioning Manager
- Adam Darr – JMDR Signalling Supervisor

Any personnel wishing to access the above infrastructure must attend the JMDR main site compound and seek approval from one of the above authorised JMDR staff.

A “Danger Sign” has been installed on all the new infrastructure (as per below).

Kevin Ho  
JMDR Project Director
