

Environmental Policy

Pure Rail's Environmental Management System applies to all operations and services of the business at its head office and branch offices, as well as all worksites under its control. All staff are expected to comply with the spirit of this policy and maintain a high level of environmental awareness at all times.

All staff of Pure Rail should aim at achieving continual environmental improvement through implementing a management system with objectives and targets

to;

take all reasonable actions to minimise our environmental footprint

by;

working with internal staff and most importantly our customers and other stakeholders

through;

all levels of pollution prevention practices and waste management activities including the safe handling of hazardous chemicals

in;

compliance with legal and other requirements

and be;

a role model for others to follow.
