

Fatigue Policy

Pure Rail Pty Ltd is committed to a responsible and safety-first workplace for all its employees, including those who work long hours and irregular times of day. The purpose of our Fatigue Policy is

to;

maintain a framework for fatigue management to ensure that risks associated with fatigue are minimised.

by;

ensuring compliance with the Occupational Health and Safety Act 2011 and Rail Safety Act 2012 in relation to Fatigue Management.

thus;

empowering all employees to manage the risks associated with fatigue in the workplace.

to achieve;

a workplace free of the detrimental effects of fatigue.
