

Commissioning of the UGLRL work on track application (WOTA)

Implementation

On the 27th of August 2023, the UGLRL work on track application (WOTA) will be commissioned into use and the ETW and ETW/V applications will be booked out of use.

The WOTA is compatible with both Android and iOS platforms and will be available for download from both the Google Play Store and the Apple App Store from Tuesday 1st August 2023.

Applicable training and assessments, including national unit of competency TLIK 2010 (Use infotechnology devices in the workplace) are mandatory to gain / maintain validity of UGLRL safeworking roles.

Training and assessment must be completed and RIW profiles must be updated prior to commissioning.

All enquires can be directed to riw.inquiries@uglregionallinx.com.au

Safeworking arrangements

All work must be carried out in accordance with the relevant UGLRL Network Rules and Procedures.

Work planned for the Rail Corridor must be assessed for safety and its potential to intrude on the Danger Zone.

SAFE Notice recipients must ensure this SAFE Notice is circulated to and understood by all personnel affected by, or needing to know, its content.

SAFE Notices must be issued to all affected Competent Workers.

Competent Workers who receive a SAFE Notice must follow the requirements in the SAFE Notice

All relevant publications are available on the UGLRL CRN website www.uglregionallinx.com.au
