Issued By:

Bowlzer, Cath, Safety and Environment - Corporate Safety, 14023 - General Manager Safety, Systems, Risk and Assurance

Title / Subject:

Temporary Removal of CERT's status as an ARTC Approved Technical Training Provider for Safeworking Training

Description:

This alert is being issued to advise all users of the ARTC network that CERT (Centre for Excellence in Rail Training Pty Ltd) are temporarily unable to provide training required to obtain all Rail Industry Worker roles on ARTC's Safeworking Matrix (<https://www.artc.com.au/uploads/Safeworking-Matrix.pdf>).

ARTC are working with CERT to validate the authenticity of 'On the Job Evidence' where Statements of Attainment and Certificates of Achievement/Currency have been issued. CERT will make contact with those individuals impacted as result of this validation process.

If you are an organisation which has employees with safeworking certification issued by CERT or you are worker that has a Safeworking competencies issued by CERT please see the FAQ in Links to Supporting Documentation for further guidance.

Action Required:

Brief your team as relevant and refer FAQs for further guidance.
